ITCHENOR VILLAGE SHOP WITH CAFÉ
MANIFESTO

We want to hear from you at www.facebook.com/ItchenorVillageShop

WE LOVE OUR VILLAGE

We love the sense of community, belonging to a small village is a privilege and a village shop and café will add to the quality of village life and provide us with a hub/centre.

FOOD UNITES US ALL

Whether you come to buy a loaf of bread, some apples or enjoy a read and a coffee it will offer an environment that will enrich our daily lives.

WE ARE IN THIS TOGETHER

The shop will be a hub for the village both summer and winter. There will be essentials to put together a meal, buy that small thing you need/want for your day, meet your friends, finish a dog walk, enjoy a quiet coffee and paper and more…

WHAT WE WILL SELL

What you choose everyday determines what the shop will stock over time. Local producers will be our main suppliers.

OUR TARGET AUDIENCE IS EVERYONE

Owned and run by the community it will be not for profit and run with the help of volunteers. Funding is available from many organisations that support community projects.

WHERE

Ideally in the grounds of the Itchenor Memorial Hall, which already belongs to our village. Given for the benefit of the inhabitants of the Parish of West Itchenor, it is a good central position for us all.

WHO ARE WE

A Steering Committee of volunteers formed to explore the community's need for a not for profit shop with café.

Susie Green, Simone Horsley, Clare Goddard, Anita Trevelyan and Bimbi Fawcett. We will need people with various talents to develop this further.

OUR END GOAL

A beautiful eco friendly building offering a place to meet daily for us all to enjoy. A place to be involved if you want to, use if you want to, visit when you want to… this will be your Itchenor Village Shop and Café.
