Consultation this summer

We are pleased to announce that this consultation will take place between 14 July 2016 and 22 September 2016. There will be several ways to have your say. You will be able to:

- Meet the Highways England project team at any of our public exhibitions.
- Give us your views online via an online survey that will be on our website.
- Complete a paper survey and drop it off at one of our collection points that will be set up throughout the area. These will be listed on our website and publicised in local media.

The public exhibitions

We will be holding 14 public exhibitions where you can meet the team and find out more about the options. The exhibitions are listed below. All the materials available at the exhibitions as well as the survey will be also available on our website.

What happens next?

After the consultation, we will present a Consultation Report to the Secretary of State for Transport who will make the final decision on any recommendations and officially issue a Preferred Route Announcement by late 2016. The scheme is scheduled to be open for traffic in 2021-2023 depending on the option chosen. The preferred option will also be subject to a future consultation and public examination as part of the planning process.

Arundel and Worthing & Lancing improvement schemes

In May we held workshops on these schemes which were attended by a group of local and statutory stakeholders. A summary of these workshops will be published online in due course. You can sign up on our websites to receive an e-mail alert when these summaries are published.
