Lantra Awards Basic Tree Survey & Inspection

Course information:

This 1 day Lantra Awards course aims to provide candidates with the knowledge to be able to identify a hazardous tree and determine the level of risk and then decide on an appropriate course of action.

Who is the course for?

This course is suitable for a wide variety of candidates - local authority highway inspectors; forestry, woodland or arboricultural employees; estate or park rangers; farmers and other landowners or their employees who have a responsibility for trees in the course of their work. It may also be useful for those who work with trees in a voluntary capacity.

Course objectives:

To enable course members to:

- ✓ *State the legal & safety implications of hazardous trees*
- ✓ *Maintain your own health & safety while carrying out basic tree survey & inspections*
- ✓ *Recognise hazardous trees & determine the level of risk*
- ✓ *Decide upon an appropriate course of action*
- ✓ *Collect & maintain adequate information*
- ✓ *Recognise your own limitations*
