What is the Annual Parish Meeting?

This is a meeting for the residents of the village. It provides an opportunity for the Parish Council to report briefly on its activities and achievements over the past year.

Why is there an Annual Parish Meeting?

Every parish in England is required by Law to hold an annual meeting for the electors of the parish. However, many Parish Councils use the meeting as a means of bringing the community together to discuss issues of importance within the parish.

Why come to the Annual Parish Meeting?

Residents are encouraged to come to the meeting to find out what is happening in their village. This is an ideal opportunity to chat to Councillors and other residents on an informal basis and to influence the priorities for the Parish Council for the forthcoming year. The formal part of the meeting will not last longer than an hour!
